Stitchers Garden

12 Month specialty sewing technique block of the month.

During this year long class, we will meet every other month on Saturday to learn some fun new sewing techniques.

Techniques used:

Fusible raw edge applique, turned applique, edge stitching, walking foot quilting, circular sewing attachment, free motion couching, regular couching, candle wicking, decorative cording, pin tucking, piping, fringing, bobbin work, chenille, reverse applique, and machine embroidery applique.

This is a great way to learn all about your sewing machine and expand your sewing technique repertoire.
